GOULBURN OPTIONS COMMUNITY NEWS

Goulburn Options grand opening!

On Saturday the 18th of August, Goulburn Options had the grand opening of their new centre in High Street, Seymour. It was a huge success with many people from the community coming through our new centre to see all the changes we've made and to view many of the art pieces that were on show in our art gallery. The gallery was opened on Friday evening and went through until Sunday afternoon.

Goulburn Options hosted a sausage sizzle, devonshire tea, wine tasting of the Fowles wines range which are still available for purchase, raffles and a market stall. We also had our GO band play a number of songs to quite a large audience which had everyone up and dancing around.

The money raised from this weekend is going to help in reaching our goal of building a new kitchen at our centre for our cooking programs.

It was a fantastic weekend for all involved and Goulburn Options would like to say a huge thankyou to everyone that helped in making it such a great success.

OUR VISION:

A community that values and promotes the independence and full participation of people with disability.

..MORE ON OUR GRAND OPENING

The opening weekend and pop-up gallery was a great success, the 3 day event raised over \$4000 for GO and certainly raised our profile. It was great to see so many people from the GO community here but also other members of the Seymour community come to see the art exhibition and get to know more about who we are and what we do. Adam Knight opened the Art Gallery and judged the art work and our participants

prepared some words about what they loved about High street and officially opened the building with party poppers and a big Hooray!
